1. Aims

This policy aims to:

- Create a positive culture that promotes excellent behaviour, ensuring that all pupils have the opportunity to learn in a calm, safe and supportive environment.
- Establish a whole-school approach to maintaining high standards of behaviour that reflect the values of the Trust.
- Outline the expectations of behaviour.
- Provide a consistent approach to behaviour management that is applied equally to all pupils across the Aspire Academy Trust.

2. Legislation, statutory requirements and statutory guidance

This policy is based on legislation and advice from the Department for Education (DfE) on

- [Behaviour in schools: advice for headteachers and school staff 2024](#)

- [Searching, screening and confiscation: advice for schools 2022](#)
- [The Equality Act 2010](#)
- [Keeping Children Safe in Education](#)
- [Suspension and permanent exclusion from maintained schools, academies and pupil referral units in England, including pupil movement](#)
- [Use of reasonable force in schools](#)
- [Supporting pupils with medical conditions at school](#)
- [Special Educational Needs and Disability \(SEND\) Code of Practice](#)
- [Sharing nudes and semi-nudes: advice for education settings working with children and young people](#)

In addition, this policy is based on:

- [DfE guidance](#) explaining that academies should publish their behaviour policy and anti-bullying strategy

This policy complies with our funding agreement and articles of association.

3. Rationale

'Good behaviour in schools is central to a good education. Schools need to manage behaviour well so they can provide calm, safe and supportive environments which children and young people want to attend and where they can learn and thrive. Being taught how to behave well and appropriately within the context they're in is vital for all pupils to succeed personally.' (DfE: Behaviour in Schools 2024)

The Trust's 'Managing and Supporting Positive Relationships and Behaviour' policy aims to promote an environment where everyone in our Trust community feels happy, secure and safe to learn within an ethos of mutual respect. This policy is designed to **promote** and **explicitly teach good behaviour**, rather than merely deter anti-social behaviour.

Aspire schools should be safe, nurturing, effective learning environments. Leaders should impose coherent, consistent whole school approaches to behaviour, while respecting the views and agency of pupils. All schools should provide sufficient flexibility to respond to individual needs.

Parents are an integral part of our Trust community and play an important role in supporting, modelling and reinforcing our expectations. We will work in partnership to inform and consult with parents in order to support acceptable behaviour both in school and at home.

The management of distressed behaviour and the support offered to the child is the responsibility of every member of each school community. A consistent, whole Trust approach offers predictability, containment and safety. All adults work in partnership to model, reinforce and support our expectations. Our relationships with each other as staff and how we interact with our children model our expectations for behaviour

across

our

community.

In all Aspire Academy Trust schools, we expect the highest standards of behaviour and we make a point of acknowledging, praising and rewarding behaviour that is good. We understand the importance of 'feeling safe' in promoting social engagement and learning. Our focus is to ensure that all pupils feel safe within their school and develop positive, trusting relationships with all members of their school community.

4. Roles and responsibilities

All members of the Trust community are expected to follow this policy. Roles, responsibilities and expectations of each section of the Trust community are set out in detail below.

4.1 Pupils

Pupils are expected to:

- Behave in an orderly and self-controlled way
- Show respect to members of staff and each other
- Make it possible for all pupils to learn
- Move respectfully around the school
- Treat the school buildings and school property with respect
- Always follow the uniform expectations
- Accept sanctions when given
- Refrain from behaving in a way that brings the school into disrepute, including when outside school

4.2 Parents

Parents are expected to:

- Support their child in adhering to the behaviour policy and support the school's decision when applying rewards and sanctions
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly. If there are further concerns, raise with a member of the school senior leadership team

4.3 Staff

Staff are responsible for:

- Developing positive relationships with pupils
- Modelling positive, consistent, professional behaviour at all times
- Implementing the behaviour policy consistently
- Consistently seeking opportunities to reward positive behavioural choices

- Recognising managing behaviour as a teaching opportunity and not simply a sanction
- Providing a personalised approach to the specific behavioural needs of particular pupils
- Recording behaviour incidents
- Investing time with a pupil to explain why certain behaviours do not meet our school expectations
- Attending training on positive behaviour management including in induction

4.4 The Senior Leadership Team

The Senior Leadership Team of the Academy and Trust are responsible for:

- Supporting staff in implementing the policy
- Promoting the Trust's culture and ethos to support positive relationships and behaviour
- Making decisions on the most severe sanctions when needed
- Monitoring effectiveness of the policy through consultation and regular self-evaluation
- Taking action to address any areas for development

4.5 Trust Leaders and the Trust Board

Trust leaders are responsible for:

- Monitoring and tracking trust wide data linked to behaviour, such as violence and aggression, discriminatory language and bullying.

5. Trust Core Approaches to Behaviour

- Respect and relationships must be at the heart of all schools' approaches, leading to children feeling empowered and motivated to meet the school's expectations.
- Positive affirmation and praise is powerful and schools should aim for more positive than negative interactions.
- Self-reflection, and trauma informed therapeutic work when needed, must also be part of a school system to enable pupils to improve and develop their behaviours.
- Good behaviour for learning is essential to good learning and must be modelled by all staff. We aim to develop children who are able to demonstrate a strong metacognitive understanding of their learning behaviours.
- A well organised school and classroom are essential for good behaviour for learning. Systems and routines should be clearly understood and consistently followed.

- Where a personalised approach is required for a child it should complement the school behaviour protocol, providing additional support without lowering expectations of any child's behaviour. There should be clear entry and exit points for adaptations and systems to 'catch' children when needed.
- Good relationships with parents and families should be actively promoted in all school policies.

Each academy has developed its own protocols to apply these key approaches to behaviour in their individual settings. These are shared with all key stakeholders.

6. Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection.

We will consider whether a pupil's behaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information.

6.1 Reasonable force

Aspire strives to provide a safe learning environment for all pupils. All members of staff (and anyone to whom the Headteacher has given the responsibility to be in charge or in control of the pupils) are lawfully permitted to use reasonable force to prevent pupils from:

- committing an offence,
- injuring themselves or others, damaging property,
- and to maintain good order and discipline in the classroom.

This power extends to times when staff are lawfully in charge of pupils but are off the premises i.e. on a school trip.

There is no definition of when it is reasonable to use force and every situation will have to be judged by the person in charge at that time. The degree of force used should be reasonable, proportionate and necessary given the situation.

Sometimes, pupils may get anxious or agitated and strategies used to help pupils to regulate such as using communication skills, distraction techniques and removing triggers may not yield results. On rare occasions staff may have to use physical interventions to ensure the pupil's own safety, the safety of other pupils and staff, or to ensure that property is not seriously damaged.

Where pupils are dysregulated frequently a Positive Behaviour Support Plan and risk assessment will be written up. If their behaviour responses continue to escalate, an RPI plan will be added by a PRICE trained member of staff working with the pupil. All incidents where pupils need to be held to help them regulate will be recorded, any pupil support plans reviewed. Parents/carers will be informed as a matter of course.

School senior leaders will ensure staff have received appropriate de-escalation and trauma informed practice training.

7 Searching and confiscation

Searching and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

7.1 Confiscation

Any prohibited items found in a pupil's possession as a result of a search will be confiscated. These items will not be returned to the pupil.

We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents/carers, if appropriate.

7.2 Searching a pupil

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves in accordance with the DfE guidance above.

8. Off-site conduct

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of our school

Sanctions may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member (e.g. on a school-organised trip).

9. Online misconduct

Academies can apply their behaviour protocols to pupils for online misbehaviour when:

- It poses a threat or causes harm to another pupil
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school
- The pupil is identifiable as a member of the school

10. Suspected criminal behaviour

If a pupil is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, a member of the senior leadership team will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a report to children's social care, if appropriate.

11. Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
- Manage the incident internally
- Refer to early help
- Refer to children's social care
- Report to the police

Please refer to our child protection and safeguarding policy for more information.

12. Malicious allegations

At Aspire, allegations of abuse will be taken seriously and acted upon in a fair and consistent way in which both the pupil and the person who is the subject of the allegation will be supported.

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to take action in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to take action in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other pupils.

13. Rewards and Sanctions

Our expectation is that all pupils will:

- Respond to a consistent use of silent signals across the curriculum.
- Be polite, listen carefully, be responsible and considerate to each other, to staff and any visitors.
- Look after and care for our school and equipment.
- Produce work to the best of their ability.
- Promote the good name of the school and feel secure as a valued member of a team.
- Take full advantage of the opportunities to learn.
- Be punctual and walk quietly around the buildings and grounds.
- Always be kind and helpful to each other, keep our hands and feet to ourselves.
- Always use kind words.
- Always wear the correct school uniform.
- Respect themselves and other people as we are all special.

We believe that rewards are more effective than sanctions in promoting good behaviour and high achievement.

Rainbow Chart

All children start on purple at the beginning of the rainbow every day, ensuring a fresh start daily.

They will move their names up the rainbow colours for displaying positive behaviours for learning, with the aim to reach the red, at the top.

When they reach blue/green, verbal praise will be given and positive behaviour reinforced by adults in class.

When they reach orange/yellow, they will receive a sticker, and positive behaviour will be reinforced by the adults in class.

When they reach red, they will receive a Rainbow Reward card to take home.

Sunshine Award

If a child demonstrates a positive attitude towards learning, shows an act of kindness, does something above and beyond expectation, they will be asked to move their name straight to the sunshine. Pupils who have been on the sunshine will be asked to stand up in an achievement assembly alongside the other children in the school who have reached the sun that week for a collective round of applause from the whole school. A postcard will be posted home to share with parents the reason for achieving a sunshine award. Nursery children will take their award with them on the same day that they received it.

As well as the class rainbow and sunshine award, children may also be rewarded with:

- An 'Achievement Award' for demonstrating an excellent attitude to learning. This is chosen by staff weekly to be presented in the weekly achievement assembly. Work will be displayed weekly in the hall, alongside their certificate.
- A 'My Personal Best' award is for demonstrating the My Personal Best value that is in focus that week.
- Stickers.

- Verbal praise.
- Showing their work to another member of staff within the school.
- Whole class marble rewards.

Reception and KS1 classes have a marble jar to fill. Classes can be awarded marbles by any adult in school for showing combined effort, support and teamwork with their classmates. Before the marble jar is filled, the class will decide upon their reward to know what they are working towards. When they have filled their marble jar, this will be communicated with parents and shared on our social media sites to celebrate the class' success

Sanctions

Whilst we continue to praise positive behaviour, we recognise that positive behaviour needs to be taught. When sanctions are deemed to be appropriate, they will reflect the nature of the behaviour. We will ensure that the children know why the sanction is taking place. We will support them to develop strategies to adapt their behaviour positively.

For low level disruption, adults will give an appropriate warning and a reminder of positive behaviour expectations.

If a second warning is given your child will be asked to move their name card to the thinking cloud. They will be given thinking time on how they can turn their behaviour around and discussion with an adult as to why their behaviour was inappropriate.

If low disruptions persist, children will be sent to a parallel class for a change of face.

If a pupil's behaviour falls below expectations frequently within a day, the class teacher will make a phone call to parents. The aim is to work collaboratively with parents to support the pupil to make changes to their behaviour. This will be logged on the pupil's profile on My Concern by the class teacher.

Where changes in behaviour do not occur after following our policy, we will invite parents into a meeting to discuss next steps.

Lunchtime and Playtime rewards

At lunchtimes children may achieve a lunchtime award for showing good behaviour around the school during social times. Lunchtime supervisors will give positive feedback to the child to explain the positive behaviours that have been rewarded.

Children who are not following the school rules will have time to 'walk and talk' with an adult to give them time to reflect on their behaviour. Behaviour will be logged by the lunchtime supervisor dealing with the incident on My Concern.

14. Suspension and permanent exclusion

Where approaches towards behaviour management have been exhausted or pupils demonstrate significant or unsafe behaviour, then internal suspensions, suspensions and permanent exclusions will sometimes be necessary as a last resort. This is to ensure that other pupils and staff are safe as well as protected from disruption and can learn in safe, calm, and supportive environments.

Suspensions are issued at the discretion of the Head of School or other member of staff with this responsibility delegated to them, following a discussion with either the Inclusion Lead or Strategic Partner. The decision to issue an exclusion, either fixed or permanent, will be guided by the DfE guidance regarding the National Standard List for Exclusions.

For further information, please refer to the Aspire Suspension and Exclusion Policy.

15. Responding to behaviours that challenge from pupils with SEND

15.1 Recognising the impact of SEND on behaviour

The school recognises that pupils' behaviour may be impacted by a special educational need or disability (SEND).

When responding to needs, we will consider them in relation to a pupil's SEND, although we recognise that not every incident will be connected to their SEND. Decisions on whether a pupil's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from pupils with SEND, especially where their SEND affects their behaviour, the school will take its legal duties into account when making decisions about enforcing the behaviour policy. The legal duties include:

- Taking reasonable steps to avoid any substantial disadvantage to a disabled pupil being caused by the school's policies or practices ([Equality Act 2010](#))
- Using our best endeavours to meet the needs of pupils with SEND ([Children and Families Act 2014](#))
- If a pupil has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies
- The school will then assess whether it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

As part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support to prevent these from occurring.

Any preventative measures will take into account the specific circumstances and requirements of the pupil concerned.

15.2 Pupils with an Education, Health and Care (EHC) plan

The provisions set out in the EHC plan must be secured and the school will co-operate with the local authority and other bodies.

If the school has a concern about the behaviour of a pupil with an EHC plan, it will make contact with the local authority to discuss the matter. If appropriate, the school may request an emergency review of the EHC plan.

15.3 Pupils who are looked after, previously looked after or who have a social worker

If the school has a concern about the behaviour of a pupil who is a looked after child, it will make contact with the Virtual School. If the school has a concern about the behaviour of a pupil who has a social worker, they will be contacted.

16 Monitoring this policy

This policy will be reviewed at least annually by the Trust and Academy.

17. Links with other policies

This behaviour policy is linked to the following policies:

- Suspensions and Exclusions policy
- Child protection and safeguarding policy
- Child on Child abuse policy
- SEND policy
- Mobile phone policy
- Anti-Bullying Policy

These policies can be found: [Governance - The Aspire Academy Trust](#) or on request.
