Key subject focus:	Science / Understanding the World Tree and seasons (plants)	History/ Understanding the World Technology (changes within living memory)	Geography/ Understanding the World Norway will cover seas	History/ Understanding the World Significant people – Famous explorers (Joseph Treffry)	Geography/ Understanding the World Weather and climate	Science/ Understanding the World Materials/Animals Mouse House by John Burningham
Possible links to sustainability and climate change	How to care for the environment Book: The Lorax Dr Seuss Year 1 – RE creation- look at how we look after the planet.		Litter pick around the community. The Crayons love our planet by Drew Daywalt and Oliver Jeffers	Growing – Grow our own plants, fruit and vegetables. The little gardener by Emily Hughes	Geography/ Understanding the World focus on climate- how we look after our world.	Keeping animal habitats safe. Look at sea animals and impact of waste. Book: Clean up Nathan Bryon.

Reception and Year One Year Plan

Trips	Heligan	Visitor: Blast from the past	Locality walks	Reception: Bridges KS1: Wheal Martyn	Trip to beach	Visitor: Animal visit
Enquiry question:	How do plants grow?	How has technology changed our lives?	What are the similarities and differences between my local area and Norway?	How have explorers changed our world?	How does the weather change?	Where do different animals live?
Core Text - Reading	Class Vote-Democracy (British Values) from Book Spine or linked texts by same author etc.. In my heart Owl babies Super worm Funny Bones	Class Vote-Democracy (British Values) from Book Spine or linked texts by same author etc.. Who's been eating my porridge? Stick Man	Class Vote-Democracy (British Values) from Book Spine or linked texts by same author etc.. Sharing a Shell	Class Vote-Democracy (British Values) from Book Spine or linked texts by same author etc.. The tiny seed Titch	Class Vote-Democracy (British Values) from Book Spine or linked texts by same author etc.. Supertato	Class Vote- Democracy (British Values) from Book Spine or linked texts by same author etc.. Handa's Surprise Town Mouse and Country Mouse
Core text – talk for writing and topic	Grammarsaurus (Y1) Fine motor focus and letter formation (R)	Grammarsuarus (Y1) The Gingerbread man (R and 1)	Lost and Found (R and 1)	The Three Billy goats gruff (Y1/R)	The Enormous Turnip (R/1)	Goldilocks and the three bears (Y1/R)
WOW Write	Name writing All about me - description	Letter writing Letter	Poetry- seasons. Poetry-seasons	Story Story	Recount of trip Recount of trip	This year my best bits This year my best bits
Personal, social and emotional development	Personal, Social and Emotional Development Self-Regulation - Show an understanding of their own feelings and those of others and begin to regulate their behaviour accordingly. - Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate.					

Reception and Year One Year Plan

	- Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions. Managing Self - Be confident to try new activities and show independence, resilience and perseverance in the face of challenge. - Explain the reasons for rules, know right from wrong and try to behave accordingly. - Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices. Building Relationships - Work and play cooperatively and take turns with others. - Form positive attachments to adults and friendships with peers. - Show sensitivity to their own and to others' needs.					
Personal, social and emotional development	Talking about our school rules. Use behaviour rainbow and explain the steps. Reinforcing positive behaviour.	Discussions about other cultures and traditions. Talking about their choice. Plan, do, review in ECP activities. Co-operative play and problem solving together.	Reinforcing the rules after holidays. Speaking and listening games to support children to respond to what others are saying. Speaking to adults about their wants and talking in small groups and class situations.	Understand and ask different questions. Hot seating linked to Literacy. Playing together cooperatively and taking turns with others. Confident to try different activities and say why they like certain activities.	Talk about feelings. Link to what it feels like after you have exercised. Follow rules. Maintain control of my feelings. Achieve different outcomes without adult support. Adapt to changes in routine. Confident to speak in a small group.	Responding to people in a friendly way. Maintain control of feelings – Talk about different opinions we have. Adapting to change in routine – Linked to transition and other events that happen in this half term.
PSHE – Scarf	Me and My Relationships -Why we have classroom rules. -All about me.	Keeping myself safe -What's safe to go into my body	Valuing difference -It's not fair! -Who are our special people?	Rights and Respect - I can eat a rainbow -Eat well	Being my Best -Taking care of something. -Harold has a bad day.	Growing and Changing -Healthy me -Then and now -Life stages – plants/animals/humans

Reception and Year One Year Plan

	-What makes me special? -Thinking about feelings. -Me and my special people. -Who can help me. -Feelings and bodies.	(including medicine). -Super sleep -safe indoors and outdoors. -Who can help -What could Harold do? -Harold loses Geoffrey -Listening to my feelings.	-Our special people balloons. -Same or different. -Unkind, tease or bully. -Harold's school rules	-Harold learns to ride his bike -Yes, I can! -Harold's wash and brush up. -Catch it! Bin it! Kill it!	-Around and about the school. -Basic first aid. -Harold's money. -How should we look after our money.	-Taking care of a baby -RSE Where do babies come from?/Who can help? Getting bigger/ - Surprises and secrets -Me and my body- girls and boys/-Keeping privates private.
Communication and Language	Communication and Language Listening, Attention and Understanding - Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions. - Make comments about what they have heard and ask questions to clarify their understanding. - Hold conversation when engaged in back-and-forth exchanges with their teacher and peers. Speaking - Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary. - Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate. - Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.					
Communication and Language	Understand how to listen carefully and why listening is important. Learn new vocabulary. Use new vocabulary	Listen and talk about stories to build familiarity and understanding. Retell the story, once they have developed a deep familiarity with the text, some as exact	Use new vocabulary through the day. Ask questions to find out more and to check they understand. Use talk to help work out problems	Articulate their ideas and thoughts in well-formed sentences. Connect one idea or action to another using a range of connectives.	Listen attentively and respond to what they hear with relevant questions, comments and actions	Make comments about what they have heard and ask questions to clarify their understanding. Hold conversation when engaged in back-and-forth exchanges with their teacher and peers. Offer

Reception and Year One Year Plan

	through the day. Describe events in some detail. Retell the story, once they have developed a deep familiarity with the text, some as exact repetition and some in their own words. Listen carefully to rhymes and songs, paying attention to how they sound. Learn rhymes, poems and songs.	repetition and some in their own words. Learn rhymes, poems and songs. Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher. WellComm	and organise thinking and activities explain how things work and why they might happen. Develop social phrases. Engage in non-fiction books. Engage in story times.	Retell the story, once they have developed a deep familiarity with the text, some as exact repetition and some in their own words. Engage in non-fiction books. Engage in story times. Listen to and talk about selected non-fiction to develop a deep familiarity with new knowledge and vocabulary.	when being read to and during whole class discussions and small group interactions. Hold conversation when engaged in back-and-forth exchanges with their teacher and peers. Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary.	explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate. Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.

Physical Development:	Physical Development Gross Motor Skills - Negotiate space and obstacles safely, with consideration for themselves and others. - Demonstrate strength, balance and coordination when playing. - Move energetically, such as running, jumping, dancing, hopping, skipping and climbing. Fine Motor Skills Hold a pencil effectively in preparation for fluent writing – using the tripod grip in almost all cases. - Use a range of small tools, including scissors, paintbrushes and cutlery. - Begin to show accuracy and care when drawing.					
Fine motor	Fine motor activities to support holding a pencil correctly. Handwriting pattern. Correct letter formation. Dough Disco	Fine motor activities to support holding a pencil correctly. Handwriting pattern. Correct letter formation. Holding a pencil correctly. Dough Disco	Holding a pencil correctly. Forming letters correctly. Pen Disco	Use a pencil and hold it effectively to form recognisable letters, most of which are correctly formed. Handle equipment and tools effectively, including pencils for writing. Pen Disco	Use a pencil and hold it effectively to form recognisable letters, most of which are correctly formed. Handle equipment and tools effectively, including pencils for writing. Pen Disco	Use a pencil and hold it effectively to form recognisable letters, most of which are correctly formed. Handle equipment and tools effectively, including pencils for writing. Develop the foundations of a handwriting style which is fast, accurate and efficient. Pen Disco

Reception and Year One Year Plan

Gross Motor Reception and Year one	Invasion games Key values: Curiosity Imagination Reflection	Gymnastics Key values: Curiosity Imagination Reflection	Dance Key values: Gratitude Empathy Respect	Net and Wall Key values: Gratitude Empathy Respect	Striking and fielding Key values: Self-belief Honesty Courage	Athletics Key values: Self-belief Honesty Courage
Reading/ phonics	RWI phonics, comprehension and spelling teaches skills progressively across EYFS, Yr1 and Yr 2 (see additional reading progression document)					
Literacy	Literacy Comprehension • Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary. • Anticipate (where appropriate) key events in stories. • Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role play. Word reading • Say a sound for each letter in the alphabet and at least 10 digraphs. • Read words consistent with their phonic knowledge by sound-blending. • Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words. Writing • Write recognisable letters, most of which are correctly formed. • Spell words by identifying sounds in them and representing the sounds with a letter or letters. • Write simple phrases and sentences that can be read by others.					
Reception: Literacy: (Comprehension, Word reading, writing)	Writing: Fine motor activities. Name writing focus. Letter formation-	Writing: History description – comparisons from the past list of differences.	Writing: Locality description – Talk and write about our environment. Draw and label map. Write about where we live.	Writing: Character descriptions. Write a simple story linked to The Three Billy Goats Gruff.	Writing: Recount of our school trip Make a poster on how to look after the beach.	Writing: Instruction writing on how to build a home for an animal. Character descriptions.

Reception and Year One Year Plan

	forming letters correctly. Labelling parts of a plant. Word reading: Reading individual letters (RWI phonics).	Retelling story and talking about events in focussed story - The Gingerbread Man. Complete roll on the wall. Poetry – Remembrance Day – write a simple poem. Continue a rhyming string Captions and name writing. Writing a letter to Father Christmas.	Character descriptions. Write a simple phrase from parts of the lost and found story. Retell a story with confidence. Sequence a story.	Retell a story with confidence. Sequence a story. Write instruction on how to build a bridge.	Character descriptions. Write a part of The Enormous Turnip story. Retell a story with confidence. Sequence a story.	Write a part of Goldilocks and the three bears. Retell a story with confidence. Sequence a story. Link to transition write a letter to your new teacher. Write a fact file about an animal they have learnt about.
Year 1. Literacy	Non-fiction: Explanation on how to look after your garden. (Grammarsaurus modelled text)	Character Description Remembrance Poem Non-fiction Comparison text about technology now and technology in the past.	Setting description Non-fiction: Geography non-chronological report on contrasting environment. Norway	Narrative invention Non-fiction: Fact file about a significant individual; history fact file on significant person from the past.	Non-fiction: Leaflet on climate change.	Non-Fiction: Instruction text- how to build an animal home.
Mathematics	Mathematics Number • Have a deep understanding of number to 10, including the composition of each number. • Subitise (recognise quantities without counting) up to 5.					

Reception and Year One Year Plan

	- Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts. Numerical patterns - Verbally count beyond 20, recognising the pattern of the counting system. - Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity. - Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally.					
Mathematics: Reception	Recognise numerals to 5. Count objects to 5. Find a total of two groups by counting up to a total of 5. Compare two groups of objects saying when they have the same number. Subitise numbers to 5. Compare length, weight and capacity. Explore, continue and create patterns.	Count forwards and backwards to 10. Count objects, actions and sounds. Link the number symbol with its cardinal value. Understand one more and one less than relationship between consecutive numbers. Compose and decompose shapes so that children recognise a shape can have other shapes within it.	Subitise. Link the number symbol (numeral) with its cardinal number value. Count beyond 10. Compare numbers. Explore composition of numbers to 10. Compare length, weight and capacity. Explore, compare height, length and time.	Explore, compare height, length and time. Understand one more and one less than relationship between consecutive numbers. Explore composition of numbers to 10. Automatically recall the number bonds for numbers 0-10. Compose and decompose shapes so that children recognise a shape can have other shapes within it.	Subitise (recognise quantities without counting) up to 5. Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts. Compare quantities up to 10 in different contexts, recognising	Have a deep understanding of number to 10, including the composition of each number. Verbally count beyond 20, recognising the pattern of the counting system. Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally.

Reception and Year One Year Plan

				Explore 2D and 3D shapes.	when one quantity is greater than, less than or the same as the other quantity.	
Mathematics Year One	Number: place value (within 10) Number: addition and subtraction	Number: addition and subtraction Geometry: shape	Number: place value within 20. Number: Addition and subtraction	Number: place value within 50. Measurement: Length and Height Measurement: mass and volume	Number: multiplication and division (including multiples of 2, 5 and 10) Number: fractions Geometry: position and direction	Number: place value (within 100) Measurement: money Measurement: time
Understanding of the World.	Understanding of the world Past and Present • Talk about the lives of the people around them and their roles in society. • Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class. • Understand the past through settings, characters and events encountered in books read in class and storytelling. People, Culture and Communities • Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps. • Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class. • Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and (when appropriate) maps. The Natural World • Explore the natural world around them, making observations and drawing pictures of animals and plants. • Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class.					

Reception and Year One Year Plan

	Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.					
Understanding of the World.	Children will explore the natural world around them. Recognise some environments that are different to the one in which they live. All about me boxes to share with others. Explore the natural world around them, making observations and drawing pictures of plants. Talk about members of their immediate family.	Children will explore the natural world around them. Talk about members of their immediate family. Name and describe people who are familiar to them. Compare and contrast characters from stories, including figures from the past. Recognise that people have different beliefs and celebrate special times in different ways.	Children will explore the natural world around them. Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter. Understand that some places are special to members of their community. Locality walk to look at types of housing. Children will be able draw information from a simple map.	Children will explore the natural world around them. Talk about members of their community (people who have links to our school historically) Comment on images of familiar situations in the past. Children will explore the natural world around them. Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.	Children will explore the natural world around them. Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class. Explain some similarities and differences between life in this country and life in other countries. Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.	Children will explore the natural world around them. Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class. Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter. Explore the natural world around them, making observations and drawing pictures of animals. Discussing animal habitats and where they are in the world (cold and hot parts of the world)

Reception and Year One Year Plan

Science	Plants – observing closely using simple equipment, identifying how different plants live in different climates. Investigate how plants that grow vary around the world to answer the question: How do plants grow? I know what plants need in order to grow and stay healthy (water, light and					Identify a range of animals in different habitats, learn what habitats provide for animals. Find out about animal food chains. Investigate living things and their habitats. Lifecycles of humans and animals. Materials- Using materials for a purpose. Children to create a home for an animal. - I identify and name a range of materials including wood, plastic, metal, glass, brick, rock, paper and cardboard - I know why a material might or might not be used for a specific job .

Reception and Year One Year Plan

	suitable temperature) Look at trees and know the difference between evergreen and deciduous trees. I can name the common parts of plants and trees					
History		Events beyond living memory – How technology has changed over the last 60 years. Remembrance		Life of a significant individual in the past that have contributed to national and international achievement. - focusing on famous explorers. Significant historical people in our own locality linked to exploration?		.
Geography- Year One	I observe and know about the change in the seasons. I name the seasons and know about the type of weather in each season					
			Draw simple maps – eg how to get to the school field, how to get to the park – locality walk.			Name and locate countries and capital cities of UK and surrounding seas

Reception and Year One Year Plan

			Locating Cornwall within England and surrounding seas Name, locate and identify characteristics of the four countries and capital cities of the UK and its surrounding seas (English channel, Atlantic ocean.) (topic focus: England and seas around Cornwall/where we live).			Locality study Study a contrasting environment in the UK and compare to our own locality. Name, locate and identify characteristics of the four countries and capital cities of the UK and its surrounding seas. (English channel, Atlantic ocean, North Sea
Computing – Rec	Busy Bodies	Awesome Autumn	Super Space	Spring time	Summer Fun	Boats Ahoy
