

Spring 2 Homework Year One

Design and Technology

There is no bridge!

How will the Billy Goats cross the river?

Design and make a bridge. Use recycling materials to make a bridge. Use resources/toys in your house to make a bridge scene.

Photograph your bridge and the pretend river you have made. Put a toy on your bridge to prove it is strong.

Maths Measurement

How long are your feet?

- Use bricks/objects of the same size to measure your feet.
- Use string/wool/paper to measure the feet of your family members- stick the pieces in order from shortest to longest.

- Use a ruler to measure if you can

How big are your toys?

- Choose 3 toys and order them from smallest to tallest
- Choose 3 toys and order them from thinnest to widest

English

Read and retell a traditional tale.

Draw pictures/use a book.
Video yourself telling a traditional story.

It could be:

The Three Little Pigs,
Little Red Riding Hood
Jack and the Beanstalk
The Three Billy Goats Gruff

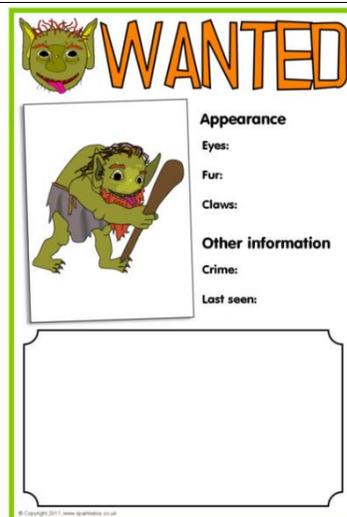

Troll Design:

Use playdough, clay, junk resources in your kitchen or drawing materials to create a brand-new troll.

What makes him scary?

Does he have horns or warts? Describe him/her.

Poster

Design a wanted poster for the troll.

He has gone missing and the police are looking for him.

Draw and describe him.

Explorer suitcase

What would you pack if you were an explorer?

Choose a destination:

- Space
- Jungle
- Desert
- Mountains
- Underwater

Draw a picture of your imaginary adventure. Write a list of your equipment you will take.
