

YEAR 2

Homework Autumn 2

Tick off each activity once you have completed them.
Please ensure you continue to complete daily reading and Numbots practice.

DT

MATHS

MATHS

Puppets: Make your own puppets! Use paper, cardboard, socks, lolly sticks. **Anything** that you can recycle/re-use. Choose a traditional tale to retell- draw /create the puppets and put a short video/photo on Tapestry to share with the class as you tell the story.

5x table-do you know your five times table? Sing along to a song online, draw/use toys to count in fives/write the calculations. Upload your efforts to learn your five times table to Tapestry.

3-d shapes- what 3-d shapes are in your house? Can you find these shapes?

- cuboid
- prism
- cylinder
- cube
- pyramid
- sphere

Draw a picture of the object and write what it looks like in your homework book.

SCIENCE

ART

READING

Static Electricity Jumping Leaves: Cut up small leaf shapes out of thin tissue paper (or use very dry, crunchy autumn leaves crushed into tiny bits) and lay them on a table.
Rub a plastic balloon or a plastic comb quickly against their hair or a woolly jumper for about 20 seconds, then hold it just above the leaves. Can you explain how the leaves are being pulled up?

Make an Autumn picture.
Draw/collage/paint a picture that lets people know it is Autumn. How will the trees look? Will there be rain/snow? What will the people wear? Will you add details to make it look windy/stormy?

Read a traditional tale.
Draw a picture of your favourite character/scene and write why you like it so much.

WRITING

PE-TAPESTRY

ART

Write about your favourite toy.
Why is it your favourite? Was it a special gift? Who gave it to you?
My favourite toy is....
It is special because....

Animal Walks: Move across a room or hallway mimicking different animals to build full-body coordination and strength. The Moves: **Crab Walk** (on hands and feet, tummy facing up), **Bear Crawl** (hands and feet, hips high), or **Frog Jumps** (deep squats jumping forward).
The Pillow Balance: Stand on a bed pillow or sofa cushion on one leg.
The Goal: Try to balance for 30 seconds without putting your other foot down. To make it harder, try it while blinking or holding a toy.

Make a fireworks night picture. Draw/paint/collage. It's up to you how you make it. Include yourself in the picture. Make sure there are lots of sparkly fireworks and maybe a bonfire.
