with strong roots we learn and grow together

Summer Term 1

28.05.2021

A message from Mrs French

And in the blink of an eye we have reached the end of the first half of the summer term. So much progress has been made by the children in all areas of their learning. We would like to thank you all for your continued support with reading and homework.

Next term the children will be immersed in new topics and stories. Please visit the school website to find out more about what your child is learning. Each class has their own page where they share their topic plans, ideas for high quality books to share and photos of learning in action.

Traffic and parking

Many of you frequently contact school to express your concerns over parking outside the school. Despite repeated reminders on the newsletter I am sorry that this continues to pose a problem. We have reported the problem to parking enforcement. However, I would encourage any of you who have concerns about parking outside school to do the same. This may prompt the department to visit the area at problematic times and support us in rectifying the situation. Their details are as follows:

Parking Enforcement - Tel: 0300 1234 222 or email: parkingenforcement@cornwall.gov.uk

Updates and reminders:
