with strong roots we learn and grow together

Summer Term 1

07.05.2021

A message from Mrs French

Fundraising updates

You may remember that just before Christmas we were the victims to some mindless vandalism, the community response this triggered was amazing. As a result of this we have been able to re-furbish the reception outdoor area with some wonderful equipment which the children have enjoyed using since their return to school.

Due to your generosity, together with some of our fundraising over Christmas we are also hoping to develop a small area of the playground into a sensory garden and nature area. Our premises team are looking into this development and we shall keep you posted on the progress of the project. As part of this, we are hoping to install some raised planters in which the children will be able to plant and watch flowers grow, a decking area and story bench where stories and books can be shared and small additions of bird feeders and bug hotels to attract birds and insects. This will provide excellent enrichment to the children's learning opportunities.

All of this has been made possible by your generosity for which we would like to thank you very much.

Nursery Starters - September 2021

We are delighted to inform you that we are now able to enrol children into our nursery sessions starting in September 2021.

Providing opportunities for our young children to socialise over the last 12 months has been extremely challenging and our children have missed out on many opportunities for this. Socialising and mixing with friends and other

adults form a key part of the early development for children. It allows them to explore and develop language and communication skills, supports them in building relationships and allows them to gain all the skills required to enter school as a confident and independent learner.

Our long-established nursery provision is led by experienced members of staff who can support your child in their early pre-school education. We are able to accept both 15 hour and 30 hour funded pupils and the office staff are very willing to discuss this with you. Please share this with any friends or family members who may be interested in joining our Biscovey family.

Poppy ~ Swallows

Theo ~ Robins

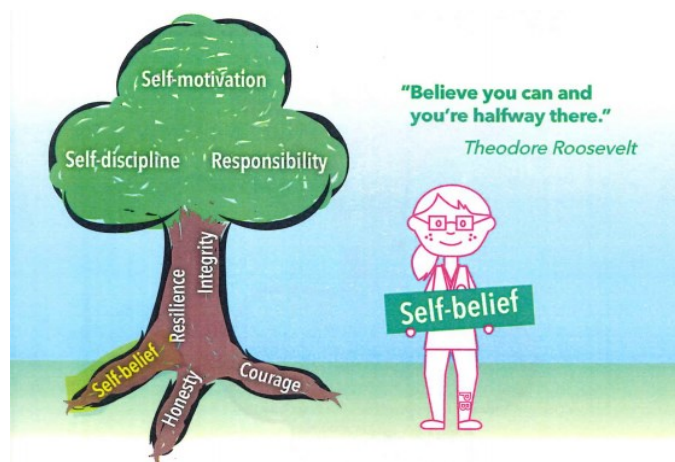

Well done!!

Reading Rocket Achievers

These children have all read 100 times.

Well done to you all!

Izaak ~ Swallows

I am developing SELF-BELIEF

When I have self-belief I...

- Am positive about who I am
- Focus on what I can do and the progress I have made
- Recognise that I can learn new things and improve if I try
- See opportunities, not barriers
- Look at myself instead of comparing myself to others

MY PERSONAL BEST

This weeks value is self-belief.

These children have shown great self-belief in their learning this week.

Kingfishers ~ Isabelle

Puffins ~ Jake

Swallows ~ Oliver

Swifts ~ Ben

Owls ~ Isabelle

Robins ~ Millie

Skylarks ~ Charlie

Weekly Parent Support Notices

Pre-loved Uniform Hub

Thank you for your donations, so far. We are continuing to collect uniform for our 'Pre-loved Uniform Hub'. Please consider donating any uniform that your child no longer needs. We really appreciate each donation that is made.

Supporting your child with learning at home

At Biscovey Nursery and Infants' Academy, we want to provide the best education for every child. Speech, communication, and language skills are fundamental for children to provide strong foundations for future learning. There are a wide range of fantastic resources available to support with language development. Below are a few websites that we would like to signpost you to:

Hungry Little Minds <https://hungrylittleminds.campaign.gov.uk/>

This website has been developed by the government to support 0-5-year-olds. The website has organised activities by age. Have a look to find some short videos and simple, fun activities that you and your children can do together.

Tiny Happy People <https://www.bbc.co.uk/tiny-happy-people>

There are more activities to try and some useful videos that show you how your young children learn. Additionally, this site has some fantastic tips and advice to help you to support your child's language development.

ICAN's Talking Point <https://ican.org.uk/i-cans-talking-point/parents/>

This site shows the ages and stages of language development, how to support your child and things to look out for.

Professional Development Programme: Family resources including 'Top tips for interacting with your child' website: <https://www.earlyyearsdpdp.com/course/view.php?id=30>

Full of information, top tips, and videos on quality interactions with young Children.
