Spring Term

06.05.2022

A message from Mrs French

Dear parents

We have had a fabulous start to the Summer term in school. The children are now fully immersed in their new learning and producing some great pieces of work. Please remember to look at your class page on the school website where you will find information about what your child is learning this term. Trips and visitors are already arranged to support the learning over the term, if you are able to help on any of these events please let class teachers know.

We will be holding some open afternoons for prospective new starters to our nursery. Our nursery offers excellent pre-school provision from the age of 2 years. We can work with you to offer hours which suit you and your child. Attending a nursery which is attached to a school provides the very best opportunities for your child to be school ready. If you have a child or know of friends and other family members who are looking for excellent nursery provision, please do come along to one of these open afternoons.

Over the next few weeks our Year 2 children will be involved in their end of KS1 SATS assessments. These assessments will be planned in small groups and will be delivered in a supportive manner. We will report your child's end of Key Stage 1 results to you next half term. If you have any questions about this please speak to either myself or your child's class teacher.

As the summer term is historically a very busy one, do keep your eye on the dates section as things are added to the school calendar for updates of when things are happening.
