

## A message from Mrs French

This week we were delighted to see our article in the St Austell Voice showcasing our new resources bought for the reception area. This has been a fantastic opportunity for us to say thank you to the wider community for all their kind donations. The work on our garden area is due to start during half term which we are very excited about.

If you are a keen gardener and have any spare plants or seedlings that you would like to donate we would really appreciate it. Anything that would grow happily in a raised planter and which would provide colour and scent, plants such as lavender, rosemary or small bedding plants would be ideal. Thank you in anticipation.

## Updates and reminders:

- **Covid restrictions** - Despite lockdown restrictions easing across the country please can I remind you that we would still ask for you to wear a mask when dropping off and collecting your child.
- **Traffic and parking** - Please can I remind you to park sensibly outside the school. You should not park on the zig zag yellow lines, in the school entrance or mount the pavements. As you can appreciate this can cause the road to become extremely hazardous and it is paramount that we keep safety at the forefront of our minds at all times.
- **School Hub Councillor** - We are still looking for a Hub Councillor for our school. If you are interested or know of somebody who is interested in working more closely with the school please do get in touch.

## A Fond Farewell

It is with much sadness that we bid a fond farewell to Miss Rose who has worked in our office for the last few years as our attendance officer alongside many other jobs. Miss Rose will have greeted many of your children at the school office or spoken with you on the phone.

Miss Rose will be leaving us at the end of this half term. Her effervescent personality and presence around school will be missed greatly by us all here at Biscovey, and we would like to wish her well in her future endeavours.

After half term, the role of attendance officer will be carried out by Mrs Gray who is based at the junior academy. When reporting your child's absence your call will automatically be transferred to Mrs Gray who can then record the absence on our registers.
