Summer Term 1

11.06.2021

A message from Mrs French

A warm welcome back to the final half of the Summer term. This week has already seen some exciting learning for the children as new topics are embraced - bread making in reception, mysterious treasure hunts involving penguins in year 1 and a virtual visit from the Captain of the Titanic for year 2.

Over the half term holiday work has started on the development of our garden area. The land has been cleared, turf laid, and the decking has been started. We are awaiting the delivery of sleepers for the creation of our planters and then we can put in our finishing touches.

This term is always full and busy. In the absence of a school sports day (Covid restrictions still do not allow for this) we are planning sports afternoons for each year group over the next few weeks. We will take plenty of photos for you to enjoy.

The staff are currently working hard to finalise your child's written report which will be with you next month. It is at this time that we will also let you know about our plans for your child's transition to their new year group.

As always if you have any questions please do not hesitate to contact the school at:

hello@biscoveyinfants.org.uk

Traffic and parking

Many of you frequently contact school to express your concerns over parking outside the school. Despite repeated reminders on the newsletter I am sorry that this continues to pose a problem. We have reported the problem to parking enforcement. However, I would encourage any of you who have concerns about parking outside school to do the same. This may prompt the department to visit the area at problematic times and support us in rectifying the situation. Their details are as follows:

Parking Enforcement - Telephone: 0300 1234 222 or email: parkingenforcement@cornwall.gov.uk

Covid restrictions

Despite lockdown restrictions easing across the country please can I remind you that we would still ask for you to wear a mask when dropping off and collecting your child.
