## Nursery Starters—September 2021

We are delighted to inform you that we are now able to enrol children into our nursery sessions starting in September 2021.

Providing opportunities for our young children to socialise over the last 12 months has been extremely challenging and our children have missed out on many valuable opportunities. Socialising and mixing with friends and other adults form a key part of the early development for children. It allows them to explore and develop language and communication skills, supports them in building relationships and allows them to gain all the skills required to enter school as a confident and independent learner.

Our long-established nursery provision is led by experienced members of staff who can support your child in their early pre-school education. We are able to accept both 15 hour and 30 hour funded pupils and the office staff are very willing to discuss this with you.

Please share this with any friends or family members who may be interested in joining our Biscovey family.

## This week we have key messages from Mrs Sanders

### **Parent Support Updates:**

In unprecedented times we are working hard to think of new ways to support families and the wider school community. With this in mind, we will be evolving our weekly newsletter to include guidance and useful resources that might help you.

### **Second-Hand Toy Giveaway and Parent Support Advisor Meet and Greet**

We have some second-hand toys and books in need of a new home. Depending on the weather, on Tuesday 4th and Thursday 6th May, a table will be set up on the grass by the gate at the front of the school. Feel free to help yourselves. Please adhere to social distancing rules whilst browsing. Mrs Sanders and Mrs Gill will be available to talk to if you need any help and support.

### **Pre-Loved Uniform Hub**

We are looking for donations of pre-loved uniform that is in good condition.

After the success of 'Biscovey Bring a Bag', we are hoping to be able to set up a 'Pre-Loved Uniform Hub' to support our community. As your child outgrows their uniform, please consider donating anything that you have, to help others in the community. This can be sent into school with your child. We are hoping to set the hub up once we have enough uniform to offer. Any donations will be gratefully received.
