

A message from Mrs French

Parent Consultations

This week the teachers have worked tirelessly to contact you all to discuss how your child has settled back into school. Thank you to you all and to the staff for these meetings, I hope you found them useful and now have a good understanding as to how you can further support your child in school. Many of you spoke of how happy your children have been on returning to school, a message we always love to hear. If you have not had chance to speak with your child's class teacher please contact the school and we can arrange an appointment.

Covid safety on site

With reports on the news outlining the success of the vaccine roll out, lower hospital admissions and with lockdown restrictions slowly easing we can easily become complacent about rules that we have in place to protect our school community.

The virus is still easily transmissible and many members of our school community remain clinically vulnerable to the illness. Some parents have approached the school concerned that there are some visitors to our school site who are not wearing a face mask.

With this in mind we must ask than you wear a face mask on site unless you are clinically exempt.

Thank you for your cooperation in keeping our school safe.

Easter Eggstravaganza!

Next week sees our annual egg decorating competition. You may start bringing in your decorated eggs from Monday and the winners will be announced on Thursday. Get creative over the weekend with some 'egg'citing ideas and creations!

Hub Councillor Opportunity

Are you passionate about improving the outcomes for pupils?

We have a Hub Councillor vacancy at Biscovey Nursery & Infants' Academy. You will work with the Head of School and other Hub Councillors in the Aspire Academy Trust to monitor progress and assess the impact of academy improvement.

If you are interested in school governance, and believe you have the skills and time available, then please contact the school office for more details.
