

Summer Term

20.05.2022

## A message from Mrs French

Dear parents

With only one more week until we reach half term I cannot believe where the time has gone! Over the past few weeks the Year 2 children have been working hard completing some assessments, we will share these end of year outcomes with you before the end of the summer term. We are very proud of how hard they have worked.

During the first week back after half term our Year 1 children will be undertaking the phonics screening check. I know the Year 1 team have shared information and practice materials with you so do please look at these with your children over the next couple of weeks so that they are raring to go when we return.

Sadly, Mrs Jenkin has made the decision to move on from Biscovey Nursery & Infants Academy, to explore new challenges. We would like to take this opportunity to thank her for her invaluable contribution to the school and pupils. Mrs Jenkin would like to thank all the wonderful pupils who she had the pleasure to meet during her time here, sending them luck and amazing opportunities as they continue their journey through school. We would like to wish her all the best for the future

Parking:

Parking is an ongoing problem outside of school. Please could I ask that you do not park on the zig zag yellow lines outside school as this poses a safety hazard.

Additionally we have received a complaint from a resident who struggles to park and access their home, please refrain in parking in spaces which are designated as disabled or block driveways. It is important that we are all considerate of our neighbours who live in the community.

We are looking forward to the final week before half term which finishes with an exciting day to celebrate the Queen's Platinum Jubilee. All staff and children are invited to wear the colours red, white or blue.

The children will be having a special day of learning and activities linked to the Jubilee.

Fingers crossed for good weather so we can hopefully all have our lunch outside, enjoying a Jubilee Tea Party.

Thank you to you all for your responses to our parent survey.

You make the environment enjoyable to help support my daughters learning.

We are very pleased with our son's learning journey so far.

I'm happy that my child is a part of this school.

The school is great at encouraging progression with reading and writing and the results reflect this.

Staff have supported my child to settle into school life and the progress my child has made has been brilliant. It is lovely to see what the children get up to on Tapestry.

The range of activities and trips my son has had offered since Covid lockdowns has been incredible, the school have really worked hard to offer things that they have missed out on.

A very happy school with extremely high expectations! A brilliant and visible leadership team. Approachable teachers and support staff who care.

Teachers are very helpful and approachable and my son is always happy to go to school.

## Parent Support Notices

### Uniform Hub

If you need uniform for your child and are struggling with the cost of buying new, please speak to your child's class teacher or Mrs Sanders. We will do our best to find what you need within school.

### Internet Safety

Keeping our children safe online is a key priority. We would like to take this opportunity to signpost you to <https://www.aspireacademytrust.org/1094/internet-safety>

This is Aspire Academy Trust's Internet Safety Page. Here you can find out important information and download support materials for keeping your child safe online.

### School Website and Communication

Our school website has lots of information for parents.  
<https://www.biscoveyinfants.org.uk/web/home/213614>

You can find out more about the school's visions and values, our curriculum, find key parent information, view the individual class pages and much more! Class pages are updated regularly with what your child is learning about in school, photographs and key class information. In addition to this we continue to use Tapestry in Nursery and Reception and Seesaw in Key Stage One to communicate with parents. If you are

having difficulty accessing any of our communication platforms, please speak to your child's class teacher.
